Edmonton

About us:

Established in 1988, AFP - Edmonton is a member-based not for profit association serving the needs of treasury and finance professionals from private and public sector

companies in Edmonton and surrounding communities.

Our Mission is to provide a forum for the exchange of knowledge, experiences, ideas, and creative solutions to the challenges facing finance, cash management, banking, treasury, and risk management professionals.

We do this by providing members with relevant education, networking, and speaker events. Many of our events qualify for CTP and CPA CE Credits.

Affiliation:

AFP - Edmonton is distinct from, but affiliated with, the Association for Financial Professionals (AFP). AFP is the professional society committed to advancing the success of treasury and finance members and their organizations.
